

O'Brien Engineering, Inc. (OEI) is a multidiscipline architecture/engineering (A/E) firm with capabilities in program / project management, environment, and real estate. Located in North Texas and serving clients nationwide and overseas for nearly 35 years since 1987, OEI's federal clients include US Army Corps of Engineers (USACE), Veterans Affairs (VA), Federal Emergency Management Agency (FEMA), Customs Border Protection (CBP), Defense Logistics Agency (DLA), and the Forest Service. OEI is a Service-Disabled Veteran Owned Small Business (SDVOSB).

OEI's been a SAME supporter since 2002 and was recognized as the Robert B. Flowers Small Business of the Year for 2020.
