

VA Experience

Celebrating over 35 years since we were founded in 1987, OEI serves our federal customers nationwide and overseas through five primary business lines: facilities, infrastructure, water resources, real estate, and support services.

Service Disabled Veteran Owned Small
Business

FEDERAL BUSINESS LINES

- Facilities: Full Design and Drawing Preparation, Facility Condition Assessments, Design-Build RFP Preparation
- Infrastructure: Road, Utilities, and Site Development Services
- Water Resources: Hydraulic/Hydrologic Modeling, Analysis, Design, Reviews
- Real Estate: Property Research, Easement Determination, Title and Closing Services, Mapping and GIS Support, and Surveying
- Support Services: Project Management, Staff Augmentation, Independent External Peer Reviews

ABOUT OEI

A multidiscipline architecture / engineering firm with capabilities in environmental and support services, OEI is in North Texas and serves customers nationwide and overseas. Our deep experience demonstrates our proven management protocols and procedures, commitment to innovation, and emphasis on a strong culture of continuous training and development.

Founded over 35 years ago in 1987, OEI has remained focused on delivering high quality, cost effective, and timely design and support services since the beginning. Our stability and longevity, combined with our repeat customers, is the proof of our effectiveness.

Our Foundations: Ownership, Teamwork, Continuous Improvement, Competency, and Ethical Behavior.

VA CUSTOMERS

OEI first had the opportunity to serve the Veterans Affairs (VA) in 2012, providing a specialty subconsultant discipline on a Dallas VAMC Long-Term Care facility expansion project. In 2013, OEI won its first VA prime contract, serving the Southern Arizona VA Health Care System. Since then, we have served VA facilities in multiple VISNs across the US as well as other federal customers including US Army Corps of Engineers (USACE), Customs and Border Protection (CBP), Federal Emergency Management Agency (FEMA), Air Force, and the Department of Agriculture's Forest Service (FS), consistently earning Exceptional and Very Good CPARS ratings.
